European Marketing Communications Manager

Panasonic Marketing Europe GmbH

Marketing communications leader with **19 years at Panasonic** and a European remit. I connect strategy agreed with global HQ in Japan to execution in each individual market — campaign development, go-to-market communication, retail and trade marketing, and the P&L behind it. Experience spans **20+ European markets**, CES and IFA, and the leadership of international and local teams.

EXPERIENCE

European Marketing Communications Manager — APR 2021 – PRESENT

Panasonic Marketing Europe GmbH · Prague, CZ / Wiesbaden, DE (hybrid)

- Pan-European master strategy for marketing communication and the assets European markets run on.
- Current focus: hands-on marketing for **DACH, Norway and the Netherlands**, incl. P&L and best-practice transfer.
- End-to-end management of European campaigns, including P&L setup, budget ownership and ROI evaluation.
- Direct coordination with global HQ in Japan; guidance and support for national sales organisations (LSOs); team, agency and supplier leadership.
- Global events — Consumer section lead at CES; category owner for the Panasonic hall at IFA.

Key results: Product campaign launches coordinated across 20+ European markets · TV partnerships with Activision Blizzard and Amazon, later used globally · 200+ product videos a year for global use · Built the control system behind marketing investment and ROI reporting.

Trade & Marketing Communications Manager — 2019 – JAN 2021

Panasonic Marketing Europe GmbH, Czech Branch · Prague, CZ

- Full ownership of marketing communications, trade marketing and merchandising for the Czech market.
- Led the Training & Promotion team; ATL and BTL campaigns across B2C, B2B and B2E.
- Agency selection and management, PR events, budget control and reporting to management.

Key results: Integrated sell-out support concept for key CEE retail partners · Agency tenders that measurably raised campaign quality and delivery speed.

Trade Marketing Manager — APR 2011 – 2019

Panasonic Marketing Europe GmbH, Czech Branch · Prague, CZ

- Trade marketing, merchandising and Training & Promotion for CZ, SK and HU — plus RO and BG as Regional Trade Marketing Manager (2011–2013).
- CE ATL/BTL communication, POP/POS, training and PR events; budget planning and ROI responsibility.

Key results: Trade marketing across five CEE markets at once · Online trade systems as digital sell-in tooling for retail partners.

Recognition	Bronze Individual Award, Panasonic CEE — top 3 of ~150 employees across 17 countries

CURRENT FOCUS · NOVEMBER 2026

- Detailed marketing ownership for **DACH, Norway and the Netherlands**, including P&L, bringing in best practices that already work in other European regions.
- **Automation with AI agents** and the transformation of work processes inside a large corporation.
- **Building own apps with AI** — including this CV and the personal website. Fascinated that these skills are now within everyone's reach.
- Follows travel, technology and investing.

WORKING STYLE

Fair Play
Say what you'll do, then do it. Long-term relationships with agencies, retailers and teams are built on that, not on pressure.

Eyes on the Goal
Budgets, deadlines, 20+ markets. Constraints and constant change are normal — answered with efficiency, impact and creativity.

Growing People
Most of what I know came from people I worked with. The point is a team that can run things without me.

BEYOND THE OFFICE

- **Tech explorer** — AI tools lately, consumer gadgets always.
- **Active life** — windsurfing, mountain hiking and regular sport as a reset.
- **Family & travel** — travelling Europe with family; the best market research there is.
